

## **Your beliefs, your goals, and ME 240**

ME 240: Fundamentals of Instrumentation & Measurement • D. H. Kelley and I. Mohamad • 12 points

1. (12 points) Write a paragraph or two describing how the work you will do and the knowledge you will build in ME 240 overlap with your personal beliefs, your reasons for coming to college and studying engineering, and your goals after graduation. Perhaps consider conflict as well. Completion of this assignment earns 12 bonus points. Your answer will be kept confidential. This assignment is not meant to glorify ME 240 but to induce honest reflection.
